### 15) Mohammad also sinned like all humans, and was not without sin, as Muslims are led to believe.

Many prophets sinned and repented (i.e. Prophet David, Jonah, Solomon, Moses, ...). Prophets were human and capable of sinning. Prophet Mohammad was not an exception to this. And this is what Koran claims:

**Koran 48:2** Whereby God forgives your past sins, as well as future sins, and perfects His blessings upon you, and guides you in a straight path.

**Koran 9:43** God has pardoned you (Mohammad): why did you give them permission (to not participate in the war), before you could distinguish those who are truthful from the liars?

**Koran 33:37** Recall that you said to the one who was blessed by God, and blessed by you, "Keep your wife and reverence God," and you hid inside yourself what God wished to proclaim. Thus, you feared the people, when you were supposed to fear only God. When Zeid was completely through with his wife, we had you marry her, in order to establish the precedent that a man may marry the divorced wife of his adopted son. God's commands shall be done.

**Koran 66:1** O you prophet, why do you prohibit what God has made lawful for you, just to please your wives? God is Forgiver, Merciful.

**Koran 93:6** Did He not find you orphaned and He gave you a home? **7** He found you astray, and guided you. **8** He found you poor, and made you rich.

**Koran 18:110** Say, "I am no more than a human like you, being inspired that your God is one God. Those who hope to meet their Lord shall work righteousness, and never worship any other god beside his Lord."

**Koran 7:188** Say, "I have no power to benefit myself, or harm myself. Only what God wills happens to me. If I knew the future, I would have increased my wealth, and no harm would have afflicted me. I am no more than a warner, and a bearer of good news for those who believe."

**Koran 6:50** Say, "I do not say to you that I possess the treasures of God. Nor do I know the future. Nor do I say to you that I am an angel. I simply follow what is revealed to me." Say, "Is the blind the same as the seer? Do you not reflect?"

The below verses show how prophet Mohammad was a human. I am not claiming the below verses are referring prophet Mohammad committed sin.

**Koran 69:38** I swear by what you see **39** And what you do not see. **40** This is the word of an honorable messenger. **41** Not the word of a poet; rarely do you believe. **42** Nor the word of a soothsayer; rarely do you take heed. **43** It is a revelation from the Lord of the universe. **44** Had he (Prophet Mohammad) uttered any other teachings. **45** We would certainly have seized him by the right hand, **46** Then We would certainly cut off the artery of his heart: **47** Nor could any of you withhold him (from Our wrath). **48** This is a reminder for the righteous.

**Koran 17:73** They almost diverted you from the revelations we have given you. They wanted you to fabricate something else, in order to consider you a friend. **74** If We had not strengthened you, you almost leaned towards them just a little bit. **75** Had you done that, we would have doubled the retribution for you in this life, and after death, and you would have found no one to help you against us.
