4) Followers of Prophet Mohammad can excel only if they promote good and abstain from bad.

The Koran clearly indicates the quality of the believers who excel is the good deeds. This is mention all over the Koran. Here is some of the verses that claims this, and some other verses that relates to this subject:

Koran 24:55 God promises those among you who believe and lead a righteous life, that He will make them rulers on the earth, as He did for those before them, and will establish for them the religion He has chosen for them, and will substitute peace and security for them in place of fear. All this because they worship Me alone; they never set up any idols beside Me. Those who disbelieve after this are the truly wicked.

Koran 45:30 Then as to those who believed and did good, their Lord will make them enter into His mercy; that is the manifest achievement.
