## 8) The Koran never commands Muslims to pray in the Arabic Language.

Here is some of the verses from the Koran regarding prayer. There is no verse in the Bible or the Koran commanding mankind to chose a special language to pray to God. I am sure all the Jews, Christians, and Muslims would agree that the all mighty God knows all the languages.

There is more than 80 verses that addresses prayer. Here are some of them.

**Koran 2:43** And be steadfast in prayer; practise regular charity; and bow down your heads with those who bow down (in worship).

**Koran 2:153** O ye who believe! seek help with patient perseverance and prayer; for God is with those who patiently persevere.

**Koran 2:277** Those who believe, and do good works, and establish regular prayers and regular charity, will have their reward with their Lord: on them shall be no fear, nor shall they grieve.
